

The NPS hiking club is back for our 10th year in 2015!

We're now offering two hikes a week! We'll be heading out on the trail on both Saturdays and Wednesdays at 8:00 am in July and August. We have 25 spots available for each hike.

The program will be titled "Roads Less Traveled". Please note that we are the Provincetown & Truro hikes. A Ranger from the South District of the Park is doing a hiking program with the same name (different day) but in the Wellfleet & Eastham area.

I am able to open one free spot on each hike for a volunteer (fee will be waived). I ask each volunteer to bring extra water and a cell phone. A GPS unit is great, but not necessary. If you're interested in being a volunteer, let me know which hike you're interested in. I take volunteers on a first come first serve basis.

All else is the same as previous years. Reservation info is below. Attached is our hiking schedule.

As always, if you have questions feel free to contact me (this is my new email address). I hope to see you on the trails this summer!

Best,
Nick Paradis
